ABOUT THE PROGRAM

Parks & Trails Council of Minnesota (P&TC) Friends Group Partners are eligible to apply for fiscal sponsorship as Fiscal Clients. Through the fiscal sponsor relationship, P&TC extends its legal and tax-exempt status (under 501(c)(3) of the Internal Revenue Code) to a partner group. Benefits include:

- Financial Accounting and Reporting: P&TC assumes the responsibility for receiving, holding, and administering funds on behalf of the Friends Group, creating and maintaining accounting records and preparation of legal, financial, and tax reports as required by donors and funders.
- Eligibility for Tax-Deductible Funding: Fiscal clients receive 501(c)(3) status under P&TC's umbrella, allowing them to solicit and accept tax-deductible donations from individuals, and apply for certain grants for which they would otherwise not be eligible.
- Online donations: Fiscal clients can request to accept online donations on P&TC's website for their group.

As P&TC is taking on financial and legal liability, Fiscal Clients are required to meet specific eligibility criteria and agree to operate and manage funds as outlined in P&TC's Fiscal Sponsorship Agreement.

P&TC provides detailed online information including forms, benefits, and answers to frequently asked questions on the [Fiscal Client Resources](#) section of our website.

Eligibility

To qualify for P&TC fiscal sponsorship, the group must:

- Be a Friends Group with a mission to serve as a steward of a specific public park and/or trail in Minnesota.
- Conduct projects with approval of the management agency of the park and/or trail (e.g. Minnesota Department of Natural Resources, county, or city parks authorities.)
- Be comprised of volunteers.
- Apply funds raised toward non-profit purposes. (Funds cannot be used for lobbying or other activities focused on influencing legislation or local government policy and Fiscal Client Friends Groups may not support or make statements that can be construed as support for any candidates for elected office.)
- Agree to other specific conditions on fund management and activities as described in this manual and in the P&TC Fiscal Sponsorship Agreement.

Application Process

The first step for a Friends Group interested in becoming a P&TC Fiscal Client is to fill out an initial [Interest Form](#). P&TC evaluates fiscal sponsorship based on our organizational capacity as well as the needs and interests of the applicant group. New applications are reviewed and approved by P&TC staff then must be approved by P&TC's Board of Directors.

Next Steps Upon Receiving Approval

Once a Friends Group is confirmed as a P&TC Fiscal Client, the following steps are required:

- Provide Organization Information, including contact information for leadership; mission statement; articles of incorporation and bylaws, if such exist; and activity and project details.
- Fully review this Fiscal Client manual.
- Sign a Fiscal Sponsorship Agreement: The agreement encompasses the expectations of both parties. It should be signed by two members of group leadership who are authorized to make decisions on behalf of the group. The agreement is binding until a new one is signed or the relationship is terminated, per agreement terms.

Program Fees

The fiscal sponsorship program is part of our charitable mission: P&TC's fees do not fully cover the administrative costs.

Fee	Detail
\$0	It is free to apply to become a Fiscal Client
\$75-\$125	Friends Groups that are admitted into the Fiscal Client program are charged an annual fee on a sliding scale: <\$15,000 account balance at prior year end = \$75; \$15,000 to \$25,000 balance = \$100; and >\$25,000 balance = \$125.
4%	P&TC charges a 4% administrative fee for credit card donations accepted on behalf of Fiscal Clients to cover the costs charged by P&TC's credit card processor.
Rush Fee	P&TC reserves the right to charge rush fees if we need to accommodate requests on short notice.

Renewal

The Fiscal Client Agreement with P&TC renews annually on January 1, unless notice of non-renewal is given or received by P&TC prior to October 1.

Fiscal client membership must be renewed annually and is valid from January 1 - December 31. Renewal materials typically include an acknowledgement of the core elements of the Fiscal

Sponsorship Agreement, submission of a board roster for the current year, and payment of the annual fee. If the organization neglects to renew within 5 months (May 31) after the membership has expired, P&TC will request payment and/or necessary materials before processing further deposits or payment requests from the Friends Group.

Insurance

P&TC's Workers Compensation insurance, Director and Officers insurance and liability insurance policies DO NOT cover fiscally sponsored projects/organizations.

P&TC can extend its liability insurance under only very specific circumstances: one day events that are pre-approved by the management agency and P&TC and lists P&TC as a co-sponsor. P&TC cannot enter into any multi-year agreements on behalf of volunteer organizations due to the changing nature of volunteer groups. P&TC is not a party to any agreement to which it is not a signatory.

If a fiscal client determines that some form of insurance coverage is necessary, we recommend looking for an insurance policy or set of policies that best fits the needs of the group and the scale of their work.

Steps to Consider Beyond Fiscal Sponsorship

P&TC's fiscal sponsorship program is intended to be an incubator. If Fiscal Clients seek to engage in activities that P&TC cannot support, or seek \$25,000 or more in capital campaign or annual fundraising, groups must pursue independent 501(c)(3) status or consider making the project a direct initiative of P&TC.

Federal resources for considering independent 501(c)(3) status include: [Stay Exempt: Tax Basics for Exempt Organizations](#) (IRS) which has trainings and resources to peruse. State resources include [Registration and Reporting – Charities and Charitable Trusts](#), and [propel](#) which provides resources and support. Some groups may need or want to pursue federal incorporation, regardless of whether they intend to pursue independent status as a 501(c)(3) organization. The [IRS website](#) provides information about Federal Tax ID Numbers (also called Employer ID Numbers or EINs).

SOLICITING FUNDS

Donations

Donors must make checks payable to “Parks & Trails Council of MN” with the Fiscal Client name in the memo line.

Because donations to fiscally sponsored projects are legally made to P&TC, Fiscal Clients must properly identify their relationship with P&TC. Fundraising materials and solicitations -- such as brochures, websites, letters and event invitations -- must follow legal guidelines. The following is the text to use when soliciting donations:

[Client Name] is a sponsored project of Parks & Trails Council of Minnesota, a 501(c)(3) nonprofit organization. Contributions for the charitable purposes of [Client Name] must be made payable to Parks & Trails Council of Minnesota and are tax deductible to the extent permitted by law.

Online Donations

Funds solicited by a fiscal client must be under P&TC's chain of custody at all times.

Please reach out to fiscal@parksandtrails.org to inquire about accepting online donations for your group.

Donor Acknowledgment

Generally, P&TC does not send receipts and acknowledgements for donations - that is the responsibility of the Fiscal Client. The Fiscal Client is required to acknowledge its relationship with P&TC in the letter by including the following paragraph:

[Project Name] is a proud affiliate and sponsored project of Parks & Trails Council of Minnesota, a conservation and outdoor recreation organization. Parks & Trails Council of Minnesota has been organized and operated to qualify as tax-exempt under Section 501(c)(3) of the Internal Revenue Code; Taxpayer Identification Number 41-1450303.

See more details and find a template letter [here](#).

Two types of donations will receive an acknowledgement from P&TC:

- Online donations made to Fiscal Clients via their page on the P&TC website receive an automatic email acknowledgement from P&TC.

- For any donations of \$250 or more, P&TC will send an acknowledgement to your donors, provided we've received and deposited the payment. Similarly, P&TC will send acknowledgement letters for gifts of \$250 or more from granting organizations when checks are sent directly to our office.

In-Kind Donations

P&TC's Fiscal Client program is designed to support acceptance of tax-deductible contributions of cash or readily tradable securities. P&TC does not process in-kind donations (property, or goods such as office equipment that will benefit your organization) without pre-approval. Please contact the Administrative Coordinator if you would like to discuss accepting in-kind donations.

Matching Donations

Workplaces will often offer giving programs that will match an employee's charitable donation. Donations to a group through a fiscal sponsor are often eligible for these programs. The employee donating to your project must remember to note P&TC as the recipient of the funds, and designate the gift for the Fiscal Client's project. Employer match forms must be forwarded to P&TC for processing. Once the matching check arrives, it will be credited to the Fiscal Client's account.

Charitable Gaming

Because Fiscal Clients are not tax-exempt organizations, they may not engage in charitable gaming (including bingo and raffles), and Minnesota law does not authorize or permit fiscally sponsored groups to conduct charitable gaming in the name of (or as an affiliate of) P&TC.

Sale of Goods or Services

Fiscal Clients may not solicit contributions through the sale of goods or services (i.e. selling calendars or other merchandise) without P&TC consent.

P&TC Grants

P&TC offers grants to fiscal clients, 501(c)(3)s and unincorporated groups. Visit [Resources for Friends Groups](#) our website to learn more.

External Grants

Fiscal Clients must obtain permission from P&TC before applying for external grants by filling out the [Grant Permission Form](#). This must be submitted to P&TC a minimum of 30 days before a grant proposal is due to ensure sufficient time to confirm eligibility and prepare needed attachments and other documents.

Many grants are only available to 501(c)(3) nonprofit organizations. P&TC Fiscal Clients may be eligible to apply for those grants by using P&TC's federal tax ID. However, because P&TC and/or other fiscal clients may be considering applying for the same grant, we need to make sure to follow the rules set by the grantor and any applicable laws. Some foundations and grant programs **do not accept** proposals from fiscally sponsored projects, so Fiscal Clients are encouraged to read requirements carefully.

Once permission is granted by P&TC, the Fiscal Client may submit their grant application. It should be clearly stated on the application that P&TC is the group's fiscal sponsor. When a Fiscal Client receives a grant, they must notify P&TC of the award and share any applicable materials, such as the award letter and/or agreement. Groups should ensure the check is made out to "Parks & Trails Council of MN" and sent to P&TC for deposit into the fiscal account as normal. Groups are required to keep P&TC updated throughout the grant implementation period and share any interim or final reports.

Restricted Funds

Restricted contributions are dedicated to a particular purpose or project, as designated by donors. They are permanently restricted for that purpose and cannot be used for any other expenses. Careful tracking and documentation need to be in place in order to adhere to applicable laws. According to Foundation Group, "The IRS is serious about restricted funds. Improper use can result in severe penalties, or even loss of exempt status. Boards can be sued by donors for misuse of such funds." Read more about restricted funds [here](#).

For this reason, P&TC does not generally allow Fiscal Clients to use our 501(c)(3) status to seek restricted funds. However, we are willing to consider projects and will discuss them with Fiscal Clients. Any pursuit of project funds will require P&TC board approval.

MANAGING FUNDS

Bank Account

Fiscal client funds are held in P&TC's General Fund but are separately accounted for using the Fiscal Client's unique account number. They will not be used by P&TC for any purposes other than toward the fiscal client's projects without the express permission of the primary and secondary representative of the group. We do not recommend that Fiscal Clients set up a separate bank account of any kind.

Contributions from donors will be recorded on the books and recorded by P&TC as “revenues” of P&TC in compliance with generally accepted accounting principles (“GAAP”). Any funds distributed by P&TC to the Fiscal Client will be recorded on the books and records of P&TC as “program service expenditures,” in compliance with GAAP.

Upon termination of the Fiscal Sponsorship Agreement, any remaining funds held by P&TC, less outstanding obligations, will be distributed to the Fiscal Client if it has become a tax-exempt organization described in section 501(c)(3) of the Internal Revenue Code. If at the time of such distribution the Participating Organization is disbanded, or is not a 501(c)(3) tax-exempt organization, the remaining funds held (less outstanding obligations) may be donated to one or more tax-exempt organizations or public agencies with compatible missions, as designated by the Fiscal Client. If the disbanding group does not identify the recipient of the funds within 90 days, the remaining funds will be retained by P&TC.

Deposits

All checks must be made payable to “Parks & Trails Council of MN.” The Fiscal Client name should be included on the memo line. Deposits should be submitted in batches to the P&TC office, accompanied by a Deposit Sheet (available on P&TC’s [Fiscal Client Resources Page](#)).

Record Keeping

P&TC keeps records on the following:

Financial account information, including:

- Revenue (amount and source)
- Expenses (authorization, amount, and purpose)

Group information, including:

- Bylaws and/or articles of incorporation
- Board/leadership roster

P&TC manages accounting records from the perspective of P&TC. P&TC does not record information in the level of detail that Friends Groups often need. Therefore, the Fiscal Client is strongly encouraged to keep detailed records as well, including:

- Donor names and contact information
- Donation amounts and date received
- Membership information
- Expenses (amount and purpose)
- Revenue (amount and source)

- Group information (bylaws, articles of incorporation, mission statement, etc.)

Payment Requests

An Expenditure Request form must be submitted in order to use funds for any purpose. Please note the following:

- Online form: The online [Expenditure Request](#) form, found on P&TC's website, is the preferred method for payment requests. A printed copy may also be completed and mailed to P&TC.
- Documentation: P&TC requires either an invoice to pay the vendor or proof of payment (i.e., a receipt from the vendor that clearly shows the bill was paid), to reimburse the Fiscal Client.
- Authorization: At least two people on the Fiscal Client board / officers list must provide authorization before payment is issued. The representatives who may submit and approve requests are limited to those who signed the Annual Acknowledgement Form for Fiscal Clients. In the event a representative is absent, or an alternate or additional approval is required, another group board member or officer may act on behalf of the group. No one may request or approve payment to themselves. If the requester or the approver is the payee, review and approval from an additional board member is required.

All funds distributed must be used solely and exclusively for work as outlined in the Fiscal Client's application materials. Ineligible expenses will not be processed.

P&TC pays by check only. Please allow 10 business days for P&TC to process payment after all information, documentation and approvals have been received.

In some pre-approved instances, Fiscal Clients can save money by making purchases that are tax-exempt. In order to do this, however, a fiscal client must request a sales tax exemption form (Form ST-3) from P&TC. Use of the ST-3 Form is limited to a single purchase from a specific vendor with a specific purchase order number. In the past, Fiscal Clients who received special project grants from P&TC were offered a letter authorizing certain people to use Form ST-3 for more than a single purchase. As of 9-1-2023 that authority has been revoked and only requests to make tax exempt purchases will be considered on a purchase-by-purchase basis.

Prohibited Expenses

Funds distributed by the Council to the Fiscal Client may not be used by the Fiscal Client in a manner that may jeopardize P&TC's nonprofit and tax-exempt status, as determined by P&TC.

Such prohibited use would include:

- Participating or intervening in any political campaign on behalf or in opposition to any candidate for public office.
- Engaging in any lobbying activities or other attempts to influence legislation.
- Providing compensation or other benefits to any private individual or non-charitable organization, except to the extent such payment represents fair and reasonable compensation for services rendered or market value goods received.

Taxes, Vendors, and Reimbursement

Parks & Trails Council of Minnesota will **NOT** reimburse fiscal clients for payments they make to independent contractors for contracted services. These payments have tax implications and must be made directly from Parks & Trails Council of Minnesota to the contractor and thus require the contractor to provide P&TC with a W-9 form so P&TC can issue a 1099 tax form at the end of the calendar year if the contractor is paid more than \$600 for the year. If you are not sure whether an expense you are about to incur is reimbursable please contact Anneliese Tatham at fiscal@parksandtrails.org before incurring the expense. Fiscal clients should never assume that all expenses are reimbursable. Fiscal client communication with P&TC staff is vital to ensuring we are in compliance with state and federal law.

Reports

P&TC emails monthly financial statements to the main fiscal contact identified by the Fiscal Client.

OTHER PROGRAM BENEFITS AND SERVICES
